Candidate from LD22 - Eddie Farnsworth**

Come and hear from six candidates for Arizona House of  
Representatives as they campaign for your vote.

We will also see the DVD prelude "Constitution Si! AMNESTY NO!"  
showing a sample of the speech on Illegal Immigration next week by  
Mr. John McManus of the John Birch Society.

### **Thank you for all your hard work and involvement!**

It is critical that we focus on what we can do to get true conservatives  
in office in the next election.

- Review the candidates and decide which to support
- Join their campaign, they need your help
- The real selection happens in the primary election...in a few short weeks

Thanks so much!
